In the event of a change to any component of the Program Price, Eligible Customer acknowledges that the new Program Price may not be applied retroactively to existing inventory on hand.
 - 3.2. Notwithstanding anything to the contrary in the foregoing, Eligible Customer understands and agrees that Authorized Distributors may charge distribution or other fees in addition to the Program Price and that Dynavax has no control over any such fees.

- 3.3. Program Price will be made available to Eligible Customers via a chargeback system through an Authorized Distributor of Eligible Customer's choice. Eligible Customers shall provide Dynavax a complete list of its selected Authorized Distributors, including contact names, addresses, telephone numbers, fax numbers, and e-mail addresses (if applicable). Eligible Customer will provide written notice of any change to the list of such selected Authorized Distributors to Dynavax within thirty (30) days of such change.
